## About public transportation - SL (Stockholms Lokaltrafik)

Stockholm has an extensive subway and bus system. Subways - Tunnelbana - are marked by a large blue letter "T". All subway lines are local and pass through T-Centralen.

### *Bus and Subway Tickets/Passes*

Bus and subway tickets/passes are interchangeable (i.e. identical) and valid on all public transport, including some ferries. Economical alternatives to single tickets include "Förköpskuponger" (pre-paid strips) and one-day (115 SEK), three-day (230) or seven-day (300 SEK) travel passes.

*Note:* Tickets cannot be purchased directly on local buses. Tickets on pre-paid strips are valid for one (1) hour. Travel passes are valid at all times during the designated periods. Detailed information about SL-tickets is found here: <http://sl.se/en/Visitor/Tickets/>

## Walking

Stockholm is a wonderful city for walking, particularly during the summer season when days are long. A walk from The Royal College of Music (KMH) to Audiorama will take about 30-40 minutes; from KMH to Fylkingen and EMS, about 50-60 minutes.

## Getting to Hotel Mornington Bromma

### *From Arlanda Airport*

If arriving at Central Station via Arlanda Express (train) or by Flygbussarna (bus), the simplest way to get to the Hotel Mornington Bromma is taxi. These are available to the left of the arrival platform for Arlanda Express. If taking the bus, taxi connections can be reserved in advance by telling the bus driver upon boarding.

## Returning to Hotel Mornington Bromma

Buses and subways run until approximately midnight. Ask at the Reception Desk for more information. Sharing a taxi may be a convenient and efficient way to get back to the hotel later at night.

## Getting to The Royal College of Music (KMH)

The Royal College of Music is located at Valhallavägen 105 in the northern part of central Stockholm. It is conveniently accessible by subway and bus.

The following route involves one change from bus to subway:

- (1) Once outside of the hotel, turn right and walk up the slight the hill to the bus stop on the same side of the street.
- (2) Take Bus 176 or 177 to Danderyds Sjukhus (Daneryds Hospital).
- (3) Change to Subway no. 14 (Red Line). This is the only line at this station. All subways are local; look for a sign showing T-Centralen hanging from the station ceiling, which indicates that the train is going to the inner city.
- (4) From Danderyds Sjukhus go four stops to Stadion.
- (5) The trip will take about 40-45 minutes.

The Royal College of Music (Kungl. Musikhögskolan) is served by the no. 14 line (Red line). The end station is Mörby Centrum (to the north) and Fruängen (to the south). All subway trains are local. Take the Red line (#14) to the Stadion stop. Use the Valhallavägen exit. You will also see signs pointing in the direction of Musikhögskolan.

### *Bus*

The No. 4 bus (blue bus) stops at the subway station (Stadion) on Valhallavägen p. The stop is called *Musikhögskolan*

### *Having arrived at Stadion*

Once on the street at the subway or bus stop, look for a round apartment tower. Walk towards the tower. As you near the tower, turn left up a slight hill towards the main entrance. Red signs also mark the way.

## Getting to Auditorium

Audiorama is located on the island Skeppsholmen in Torpedverkstaden (Slupskjulsvägen 30). Regardless of approach, one must pass in front of the Grand Hotel and National Museum to cross the bridge Skeppsholmsbron. After traversing the bridge, turn immediately to the left and follow the gravel path along the water through an opening in a brick wall. Continue along the waterside and docks to Audiorama, which is located in the old torpedo workshop on the right before getting to the parking lot of the Moderna Museet.

## Getting to Elektronmusikstudion (EMS) / Fylkingen

Elektronmusikstudion (EMS) is located on Södermalm at Söder Mälärstrand 61 on the waterfront side of The Munich Brewery (Münchenbryggeriet) by Lake Mälaren. Fylkingen is located in the same building at Söder Mälärstrand 27 but on the back side.

### *By Subway - T-bana Mariatorget*

Take the Red line (either no. 13 or no 14) to Mariatorget. The end stations are either Norsborg (13) or Fruängen (14). All subway trains are local. At Mariatorget, exit onto Torkel Knutssongatan, turn right, head towards and cross Hornsgatan. Continue down the hill towards the lake; The Town Hall can be seen across the lake. Torkel Knutssongatan swings to the right at the bottom of the hill. Just prior to the turn, pass through a portal entrance on the left.
